

AUGIES MONTHLY NEWS

FEBRUARY 2020

YOU are LOVED!

Dear Augies Employees,

Employees, we LOVE how you SHINE! Every time we walk through your buildings, it gives us a chance to admire your work and what you do. Who you are is reflected clearly and it inspires!

Please remember our next mandatory training opportunity is **SATURDAY-April 4, 2020 at 1PM**. We will be in the back (Fellowship Hall) of Lifepoint Christian Church. Participants will receive their blue lanyard at the event. The new Augies polo may also be there in your size. RSVP to the office (call/text 248-495-4755) so we purchase the correct amount of ice cream and brownies. (If you completed the training in January, you do not need to go again.)

Lastly, please save the date of Sunday, June 21st for our next company-wide picnic. We had a blast year! We'll be using a new caterer, providing prizes, and having outdoor games. In the coming months, we'll provide more details and ask for you to RSVP with the number in your immediate family who will be coming.

Sincerely,
Matt Bazzell, Owner

AUGIES A-Z WORK TIPS

J: Keep the distressed JEANS, torn knees and bedazzled pocks for weekend wear. Darker colored jeans like black or navy look more professional for the workplace.

Adapted from Roscoe, Zoe. "Career Success From A to Z". *Family Circle* February 2019: (28-33).

Remember: Save Sunday, June 21st for our company picnic at Belle Isle in Detroit. We'll have food, fun, and prizes. More details will follow...

OCTees, the company we used for printing/embroidery, has built a website for our employees to order additional uniform items. The website will only be active the first two weeks of every month. Enjoy the many options or just purchase another polo!

1. Go to: www.tshirtvault.net and put in the ID: augiesjs
2. Hit "show me the shirts"
3. Order away and your items will be shipped directly to you.

“After looking at the way things are on this earth, here’s what I’ve decided is the best way to live: Take care of yourself, have a good time, and make the most of whatever job you have for as long as God gives you life. And that’s about it. That’s the human lot. Yes, we should make the most of what God gives, both the bounty and the capacity to enjoy it, accepting what’s given and delighting in the work. It’s God’s gift! God deals out joy in the present, the *now*. It’s useless to brood over how long we might live.”
